

For Android(pic)

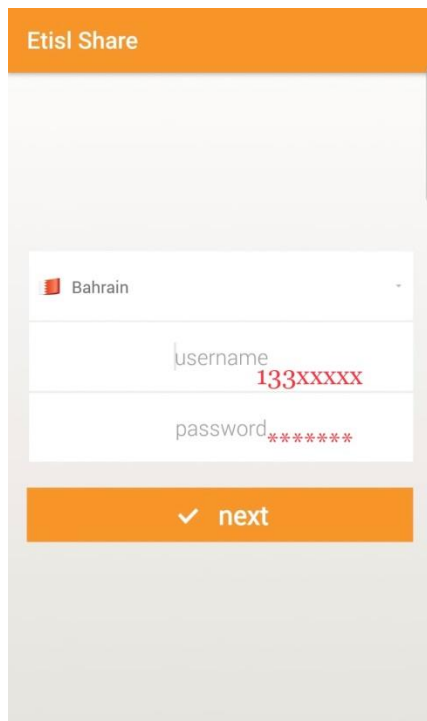

Step1 - Go to Play Store and search for Etisl Share

Step 2 - Install Etisl Share Application

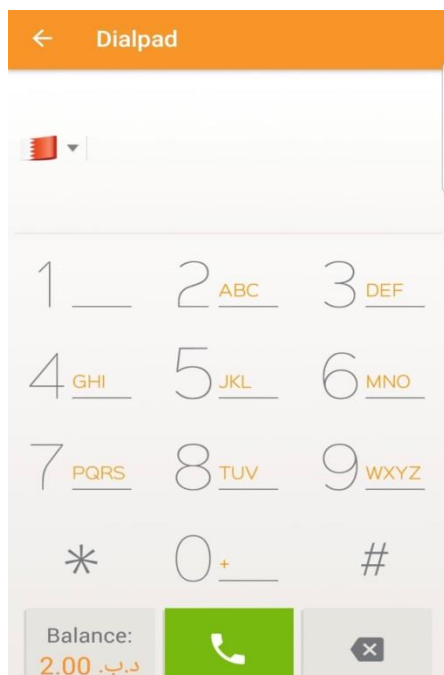

Step 3 - Enter Etisl Share Application and type username (133*****) and password (provided to your by SMS)

The screenshot shows the 'Etisl Share' application interface. At the top, there is an orange header with the text 'Etisl Share'. Below the header, there is a dropdown menu showing 'Bahrain'. Underneath, there are two input fields: 'username' with the value '133XXXXX' and 'password' with the value '*****'. At the bottom of the form, there is an orange button with a checkmark icon and the text 'next'.

Step 4 – Etisl Share is now active (The balance is shown)

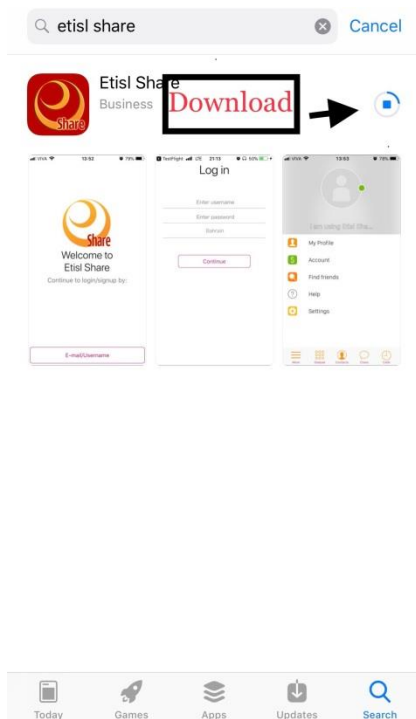

The screenshot shows the 'Dialpad' application interface. At the top, there is an orange header with a back arrow and the text 'Dialpad'. Below the header, there is a dropdown menu showing 'Bahrain'. Underneath, there is a numeric keypad with the numbers 1 through 9, *, 0, and #. At the bottom of the screen, there is a status bar showing 'Balance: 2.00 د.ب.' next to a green call button and a grey close button.
